

## **3D Printer Waiver and Agreement of Use**

Read the following information very carefully and be sure that you understand it fully before signing. This form must be completed before participating in the use of the 3D printer.

### **Participants Agree:**

- Safety is the top priority, and the facilities, tools and materials must be used in a safe and appropriate manner to ensure safety in the machine and yourself.
- You must attend the Introduction to the 3-D Printer class to use the printer unattended or you must have basic knowledge of the Dremel 3-D printers.
- Items that fit the definition of weapon as deemed by library staff cannot be created.
- To comply with the Internet Use Agreement: Disruptive, destructive, dangerous, or illegal behavior will not be tolerated.
- Children under the age of 15 will be accompanied by and supervised by an adult (unless you are participating in a program with an instructor).
- When available usage will be on a first-come, first-serve basis. Time limits may apply.
- Material fees may apply if you are doing bigger projects or multiple projects.

Approved by board on
